

THE LEGAL ADVISER
DEPARTMENT OF STATE
WASHINGTON

CONFIDENTIAL ATTACHMENT

March 23, 1967

Dear John:

In accordance with our telephone conversation today, I am enclosing two items: (A) is a draft of questions and answers worked out jointly between State and Defense for inclusion in the briefing book prepared for the Space Treaty hearings; (B) is a shorter question and answer prepared for Secretary Rusk on the basis of a briefing by Defense experts.

If you see any problems with the general line taken in these questions and answers, I would appreciate the opportunity of reviewing the subject with you some time in the near future. I do not believe there are any real discrepancies in the testimony so far given, nor between that testimony and the questions and answers.

With all good wishes,

Yours,

Le

Leonard C. Meeker
